

Block of the Month – June

Margaret's Choice

Light A: 6  →  2 7/8"

Medium B: 4  →  2 7/8"

Dark C: 6  →  2 7/8"

Margaret's Choice- 8" finished (8 1/2" unfinished)

The light, medium, and dark squares are all cut the same size at 2 7/8" and then cut diagonally once to make the triangles.

Follow the diagram and sew the triangles together in rows and then sew the rows together. Try using different darks for the "C" squares.

You can try a black and white block or a brightly coloured one. Have fun!
