

February 1998, Hearts + Hourglass

Two Hourglass blocks:

Cut two 7 ¼ " squares - one light, one dark, any colours.

Cut diagonally twice to get four sets of triangles. Sew light triangles to dark, and stitch the pairs together, matching centre seams.

Heart Block:

Cut one 7 ½ " square of ivory/tone-on-tone for background.

Referring to pattern in newsletter, trace outline of heart (or, use a heart pattern 5" across to fit on a 6" finished block).

Applique heart, red or pink prints to background. Press and trim block to 6 ½ " square.
