1. Sew together colours B, C & D, keeping D at the top; making two 4 1/2 " units (Unit 1)

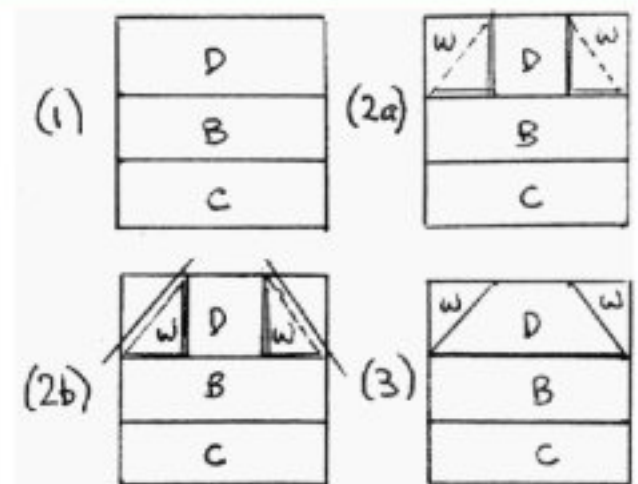

2. Easy corner triangle:

Step (1) - draw a light line diagonally across the wrong side of White on White 2" squares. This will be your stitching line.

Step (2) - to make corner triangle, place square on colour D strip, right sides together, being careful to note direction of drawn diagonal.

(2a). Stitch along line. Carefully trim 2 corner layers away, leaving 1/4 " seam allowance (2b).

Step (3) - press remaining corner up to re-form squared corner.

3. Sew triangle colour A to White on White large triangle, making two 4 1/2 " units (Unit 2).

4. Sew unit 1's together) as shown in diagram (4)

Sew unit 2's together) as shown in diagram (4)

5. Press center seams of unit 1 and 2 in opposite directions.

6. Join units 1 and 2.
