

May 2000 Block

"Reproduction Churn Dash"

12" block (12 ½ " unfinished)

Instructions

Use 1930's and 1940's reproduction fabric and ivory backgrounds to make this old-fashioned, simple block.

Cut:

- One - 2 1/2" x 19" strip from rep. fabric
- Two - 4 7/8" squares from rep. fabric, cut in half diagonally
- One - 2 1/2" by 19" strip from ivory fabric
- Two - 4 7/8" squares from ivory, cut in half diagonally
- One - 4 1/2" square from ivory

Sew the two 19" strips together along the length.

From the resulting multi-strip, cut four - 4 1/2" blocks.

Sew the half square triangles together. Following the diagram, assemble each of the rows.

Finally, sew the 3 rows together.

Press according to the arrows in the diagram.
