

F.V.Q.G. January 2008 Block of the Month

JANUARY BLOCK OF THE MONTH MY LITTLE RED WAGON

Finished: 9 1/2 x 12 1/2 in.
Unfinished: 10 x 13 in.

FABRICS:

Background: green (grass) and a light to medium blue (sky)

Wagon: various red brights and/or red kid prints

Step 1: Make main wagon unit (5 1/2 x 8 1/4 in.)

Your choice of design, for example:

- Scrappy patches - up to eight fabrics
Cut eight 2 1/2 x 3 in. rectangles; sew into 2 rows of 4 rectangles then sew rows together
- Length-wise stripes - 2 fabrics
Fabric one: Cut 2 strips: 1 3/4 x 8 1/4 in.
Fabric two: Cut 1 strip: 3 x 8 1/4 in.
-Sew strips together with the 3 in. strip in the middle
- One great fabric - cut a 5 1/2 x 8 1/4 in. rectangle

Step 2: Background and Wagon handle

Blue: cut one each:

2 1/2 x 12 1/2 in. - sky above wagon (A)

1 1/2 x 12 1/2 in. - sky under wagon (B)

1 1/2 x 5 1/2 in. - sky behind wagon (C)

4 x 5 1/2 in. - sky in front of wagon (D)

Green: cut one strip 2 1/2 x 12 1/2 in. (E)

Red (handle): cut one 1 x 4 1/2 and one 1 x 1 3/4 in.

Press under 1/4 in. on long sides of both strips and all

sides of short strip. Place long handle on the 4 x 5 1/2

(D) Pin in place so lower raw edge will be caught in

seam.

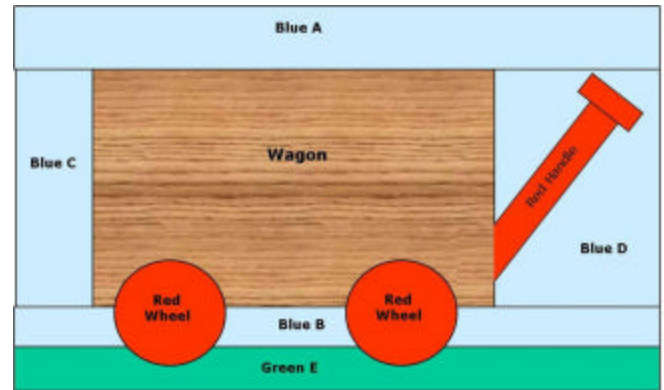

Sew: Sky fabric B and green E together

Sky fabric C to back of wagon

Sky fabric D to front of wagon

Sky B and Green E to bottom of wagon

Sky A sky to top of wagon

Step 3: Wheels and Handle Appliqué

(Please do not use fusibles or invisible thread)

Cut an approximately 2 1/2 in. diameter circle of light cardboard. Roughly cut two 4 in. circles of a red fabric that will stand out from the wagon. Hand baste around edge of fabric; gather around cardboard circle; press & remove cardboard circle. Position wheels and handle as in diagram and appliqué by machine or hand .
