This year's block of the month is friendship and blocks from friendship, signature and album quilts. Make a block for our monthly draw and then make one for your own friendship block sampler get all your quilting friends to sign it and you will be surrounded by the warmth of their love as well as the comfort of a quilt! Look for signature quilts in your community, there is one in the Maillardville museum recently reported on in the Spring issue of Quilter's Connection. The first block for the year is the Friendship Star from our block of the month archives. I remember Linda Rothe with this block, she was a great friend to this guild and made little notecards with this design and others for some of our quilt shows.

Finally I could use a quilt friend who can help me produce the blocks in PDF format for the rest of the year.
