

January BOTM – Disappearing Hour Glass

What magic. A few sewing lines, a few cutting lines and a few more sewing lines and presto, a block that only looks like you spent a long time doing it. That's what the Disappearing Hourglass block is to me.

Instead of giving you my instructions right now I am using the instructions from the Missouri Star Quilt Company which are excellent. Heres the page. <https://www.youtube.com/watch?v=xXggafOP230> I will have written instructions at the December meeting

For colours, think blues, teals and greens starting with 2 – 10" squares.
