

Easy Premie Quilt

quilt measures about 36" square

Patterns given here are especially designed to meet the requirements of a Premie Quilt for use in a Special Care Nursery. When baby is discharged from hospital, the quilt goes home with the family.

Please use 100% cotton fabrics for top and flannellette for backing.

DO NOT USE MONOFILAMENT THREAD
DO NOT "TIE" THE QUILT

Instructions:

Fabric Requirements, based on 45" fabric

- .8 metre of dark
- .7 meter of light
- PLUS BINDING (4 strips cut 2" wide by width of fabric)
- about 38" by 38" sq. backing
- about 38" by 38" sq. batting

Cut 13 - 3 1/2" squares of dark

Cut 12 - 3 1/2" squares of light

Sew into a 5x5 square (see picture above)

First Border

- Sew a 1 1/2" strip of light around the square

Second Border

- Sew a 3 1/2" strip of dark around the square

Third Border

- Sew a 3 1/2" strip of light around the square

Fourth Border

- Now, depending on how big your flannellette backing is cut, cut the last strip of dark to fit and sew around. Quilt top should now measure about 36" square.

Finishing

Press, sandwich with batting and backing.
Machine quilt and bind in usual way.

Fabric suggestion - colourful juvenile/animal-face prints
