

*As quilters, we love to make quilts! And we love to spread them around, gifting everyone a quilt. There are several charities we donate to and it gets confusing knowing what each one needs. For some options, here's the list of who the guild is supporting at this time.  
~ Happy Quilting ~*

## Guild Charity Quilt Guidelines

This chart is meant to be a guide showing the different Charities the guild is currently supporting. If you have a quilt that isn't exactly the size listed, still turn it in. These are guidelines to work with.

Although, preemies must be as close to size as you can get.

Hospital quilts are to be made with all cotton, fabrics and thread.

Make Baby themed quilts for preemies but also Holiday Inspired baby quilts. Christmas, Valentines' etc.

And Purple quilts for International Premie Month in November.

Make bright cheerful quilts, the other charities have boys and girls of all ages receiving them, so younger and older themes. Novelty fabrics are great for these quilts.

All of our Charity Quilts get Labels.

Fraser Valley Guild Labels are available from the Premie Committee.

Pillowcase, Scent Cloth and Baby Toque Patterns are now available on the website.

<b>Charity</b>		<b>Size</b>	<b>Thread</b>	<b>Backing</b>
<b><i>Preemie Quilts</i></b> Scent Cloths / Baby Togues		36" by 36" <i>Patterns on Website</i>	Cotton	Flannel
