

February Meeting Reminders

Rachel Derstine: Architecture Quilts

CHANGE OF DATE: Saturday, February 28, 2026

Location: From the comfort of your sewing room on Zoom

Time: 9:00am - 4:00pm

Cost: \$70.00

Many of you expressed interest on the zoom workshop by Rachel Derstine on architecture. *Architecture Quilts* will be a full day workshop creating a quilt based on a photo. Do you have a favourite building you'd like to recreate from your travels, from around the city or your neighbourhood? Maybe a summer cabin.....

In this workshop, we will be doing fused applique. We will work on how to create proper perspective and how to infuse some vibrant colour into your buildings. A PDF supply list will be made available to you before the class. These can be fairly small quilts, so quite a bit of the quilt should be completed during the session.

To sign up, see Trish at the meeting with payment in cash or cheque. You can email Trish with your interest and send your payment by e-transfer to Cynthia Waiz at waiz@shaw.ca. Put "Rachel Derstine" in the notes section of your e-transfer.

'Betweens' Tomorrow is a Preemie workshop, if you have already signed up with Pat, don't forget to bring all of your supplies and a lunch.

**On-line reservations for picking up books
at tomorrows meeting, the deadline is 6pm**
