

SPLIT KEYHOLE

Another great scrap buster for 2 1/2 inch strips. Go totally scrappy or keep a co-ordinated light in one half.

For each 6x12 finished block you will need two half 2 1/2 WOF of two different contrasting fabrics. Minimum length 20 inches.

Chose 18 “darks” and 18 “lights”

Cut each strip into 3 - 4 1/2 x 2 1/2 pieces and
1 - 6 1/2 x 2 1/2 piece

Sew the vertical strips together and then add the “end caps” to the “rail portion” and sew the two halves together. If you always press to the dark side all your seams should nest.

Assemble rows alternating dark and light to the top....and just that quick you have a top!
