

Chinese Coins

Great for scraps or a striped or border print fabric....

You will need 5 panels measuring 5 x 31 inches (unfinished) for your focus pieces. These can be pieced from scraps or cut from a striped fabric.

From a background fabric you will need:
4 pieces 2 1/2 wide and 31 inches long.
2 pieces 3 1/4 wide and 31 long and
2 pieces 3 1/4 wide by 36 1/2 long.
(About 23 inches total WOF.)

You will also need a binding fabric.

Arrange your pieces as shown on the finished quilts, all the "vertical" pieces first and then add the top and bottom borders.....and you are done!
